

Social Determinants of Health, Substance Use Disorder, and Stigma: Unpacking SUD Treatment for LGBTQIA

Rush Substance Use Disorder Centers of Excellence (SUD-COE)

Presenter: Deanna Doss, LSW, MSW

The purpose of the **Social Determinants of Health, Substance Use Disorder, and Stigma: Unpacking SUD Treatment for LGBTQIA** webinar is to increase knowledge among providers working with LGBTQIA populations in the social determinants of health and stigma associated with SUD treatment. This 1-hour webinar session will be led by Rush Licensed Social Worker, Deanna Doss. This training opportunity is funded by the Illinois Substance Use Prevention and Recovery (SUPR) to increase access to Medication Assisted Recovery (MAR) in Illinois.

Learning Objectives. By the end of the webinar, participants will be able to:

1. Discuss history of SUD treatment and stigma for LGBTQIA
2. Identify unique factors of treating SUD with co-occurring health conditions or diagnoses
3. Describe non-stigmatizing language and effective treatment planning for LGBTQIA
