

# Community Reboot

The Clark/Cumberland County Recovery Oriented System of Care (ROSC) invites you to join us for the **Cumberland County Community Reboot.**

This event will feature a panel of individuals in recovery, sharing their personal experiences and insights on their recovery journey within Cumberland County.

Following the panel, we will facilitate discussions aimed at fostering a healthier, more supportive community. Your voice is essential in shaping meaningful change, and we encourage your participation in this important conversation. We hope to see you there!
