Presents

## FENTANYL AND XYLAZINE TEST KIT BUILD

Join the Chicago Department of Public Health,  
to build Fentanyl and Xylazine Test Kits

WEDNESDAY, MARCH 19, 2025

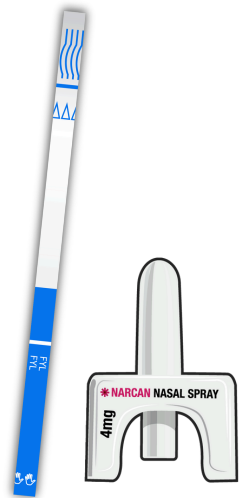

10AM - 1PM

The South Side Heroin/Opioid Task Force  
1629 East 87th Street | Chicago, IL 60617

### HELP US SAVE LIVES!

- ▶ Chicago is experiencing record numbers of opioid overdose, many of them due to an opioid called fentanyl.
- ▶ Fentanyl and Xylazine test kits help people stay safe and prevent overdose.
- ▶ Assemble test kits, receive Narcan training (a medicine to reverse overdose), learn about MAR Now Program, and 988 Suicide and Crisis Lifeline to empower and keep our communities safe

Take some Fentanyl and Xylazine test kits for yourself or your organization / business.
